What have we heard them say? What can we imagine them saying?

YouTube is a free video sharing website that **makes it easy to** watch online videos. You can even create and upload your own videos to share with others. Originally created in 2005, YouTube is now one of the most popular sites on the Web, with visitors watching around 6 billion hours of video every month.

Jawed Karim (born October 28, 1979) is an American software engineer and Internet entrepreneur. He is a cofounder of YouTube and the first person to upload a video to the site.

MrBeast, also known as Jimmy Donaldson, holds the crown as YouTube's most subscribed creator. He can boast a subscriber base of over 180 million. While a handful of channels may have more massive audiences, they're all run by studios rather than individual creators.
